A step onto 3 Stones is like a step back into time. An exclusive rustic, unique wedding & event venue, 3 Stones is all that you can dream it to be.

Approximately an hour and half from San Francisco and less than thirty minutes from the heart of Napa Valley, 3 Stones is a hidden pocket of rural nostalgia. Oak trees, tall grasses, open meadows & terraced vineyards invite guests to slow down, breath in and experience the joy of your day.

From the moment you step onto the land, you are calmed by the sounds and sights of a nature. We invite you to experience the balance!

Our events are crafted by your focused vision ; while 3 Stones' charm and unique character provides a rich backdrop. With multiple uses and unique vignettes throughout the property, each wedding or event can become your own.

You can share your day on an expansive meadow, atop a vineyard with a scenic vista, under an old oak tree or beside a tranquil pond. Your guests are welcome to saunter through the vineyards, meadows, surrounding woods or orchards all while taking the time to appreciate the bounty that Northern California has to offer. The 154 acres are protected for all wildlife to thrive and thus provides a truly natural setting.

A small creek side cottage provides a perfect location for a bridal suite and/or rustic lodging for the couple and their family. Two additional cabins are ideal for guests or groomsman preparation. Authentic red barns, period farming equipment and a green Willy's truck add to the vintage flair.
